Heard.

Annexure-4 does not answer the qualifications as required by Annex.1 NIT. In fact, there are certain interpolations in it. This Court is not going into those interpolations and closing the matter at this stage, no interference is called for. The complete qualification as required by NIT Annex.1 is not there because the certificate does not in its form as available on record answer that the petitioner was qualified having completed one single work in last five years of the required description. He could have asked for another certificate from incharge officers and produce the same. Having not done so, the requirements of NIT are not answered. In that view of the matter, the writ petition is not entertained and is hereby dismissed.
